

NFAC #5223/78

20 November 1978

MEMORANDUM FOR: Chairman, Department of State Research Council
THROUGH : Director, Office of External Research/INR
FROM : Associate Coordinator for Academic Relations
and External Analytical Support, NFAC
SUBJECT : Foreign Affairs External Research Proposal

1. This is to inform you of an external research project requiring contacts with foreign nationals that the National Foreign Assessment Center is now considering. Your review and clearance of this project is requested.

3. I look forward to an affirmative response so that this contract can be awarded. If I do not hear from you in fifteen working days from receipt of this memorandum, I will assume it has been approved in accordance with the provisions of the January 16, 1978 memorandum from the Department of State concerning external research.
